Student Parking Regulations:

Parking spaces will be assigned during Registration once a student is able to verify completion of Drive Smart (if you have already taken Alive @ 25, you do not need to complete Drive Smart). The staff of Seneca High School does all that it can to insure the safety of your vehicle; however, Seneca High School is not responsible for damage or theft. All cars on campus must display a valid Seneca High School Parking Tag. The cost of the first tag is \$20.00 and must be paid during registration. Replacement tags are also \$20.00. Students will receive a full refund if the original tag is found and both tags are presented to the administrator. Any student parking a car on campus without a valid Seneca High School tag will be subject to disciplinary action. Speeding, reckless operation, or making excessive noise on school property or near any school building will not be permitted and will be referred to an administrator. **Sitting in vehicles before, during, or after school is not permitted. A student must leave his/her vehicle and proceed to the school building within one minute after arrival on campus.** Students may not enter the parking lot area during the school day without permission from an administrator or the main office. The front lot closest to the main office is reserved for staff and visitors; students parking in this area will be subject to disciplinary action. Any violation of parking/driving regulations may result in detention, in school suspension, suspension, or revocation of driving privilege. Students are responsible for the contents of the vehicle that they park on the Seneca High School campus. The operation of motor vehicles on school property is under the jurisdiction of the Oconee Sheriff's Department and the Seneca Police Department. Failure to register a vehicle will result in disciplinary action. **Note that students who are habitually tardy will lose the privilege of driving to school.**

I understand and agree to follow the parking regulations specified above.
