

*Seneca High School
Summer Youth Camp Series
2018*

Last summer, over 400 community students participated in one or more of our sports camps. This year, our 4th Annual Summer Youth Camp Series, we are offering camps in Baseball, Basketball, Cheer, Football, Golf, Soccer, Softball, Tennis, Track, Volleyball and Wrestling. These summer camps offer our community great opportunities at a tremendous value. The camps are used by each specific sport as a fundraiser to help assist in providing the very best for our student athletes at SHS. The purpose of each camp is to build community strength in our school system and to introduce children to the "Bobcat Way" at an early age. Each coaching staff spends tremendous time and energy in planning the camps so your student will have a great week at Seneca High. If you have any questions, please call or email the designated coach and they will be more than happy to answer your questions. We look forward to a great summer of youth camps!
